

Rural Transit Day – July 16, 2024

Did you know...

- Every county in California except San Francisco has rural populations.
- The FTA (5311) Rural Transit Formula Program administered by the Division of Local Assistance provides operating funds for over 85 rural operators.
- Rural transit agencies provide their residents much-needed trips to healthcare, work, education, shopping and other necessary life connections.

Visit the [National Rural Transit Assistance Program website](#) for details.
