

Innovation Exchange

Conversations Launching Change

Presented by the Federal Highway Administration Local Aid Support

Innovation Practices from the Local Technical Assistance Program (LTAP) Centers

Thursday, August 15, 2024 | 2:00–3:30 p.m. ET

Innovative solutions can save local government agencies time and money while improving safety and business practices.

For this Innovation Exchange, you will hear from the Local Technical Assistance Program (LTAP) Centers on some out of the box ways they are addressing issues in their states. The purpose of this webinar is to share information that could help other agencies facing similar challenges.

FHWA Office of Federal Lands

Featured Speakers

- **Nevada LTAP Center:** Carrie Brown (Director) and Luis Sibaja.
Innovation: the PASER System: gathers data to assist with justifying CIP (Capital Improvement Project) improvements for the roadways.
- **Rhode Island LTAP Center:** Kathleen Sisson, M. ED., PMP (Director).
Innovation: PPE (personal protective equipment) Program/ Work Zone Safety Kits to encourage increased communication and participation by and from municipalities.
- **Alabama LTAP Center:** Laurence R. Rilett, PhD (Director).
Innovation: Step-up Alabama, a community engagement program for planning and designing improved pedestrian facilities in historically underserved communities.
